

California Regional Water Quality Control Board-Los Angeles Region
Contracts and Grants Program

Project Summary: 04-095-554

Project Number:	04-095-554	Project Status:	Active	Grant Manager:	M Jones
Project Name:	North Santa Monica Bay Water Quality Improvement	Project on Schedule:	Yes		

Project Details

Watershed: Santa Monica Bay WMA

Project Description: This project represents the first phase of a implementation program for NSMB and will coincide with the work being done to draft the TMDL's implementation plans by providing the necessary prioritization criteria for ranking nonpoint source pollution projects, resulting in the construction of one or more demonstration projects, and providing valuable data on the performance of this/these demonstration projects in reducing the nonpoint source pollutant loading to NSMB. As part of an integrated, iterative, and adaptive implementation approach, we proposed to address not only bacteria, but also other water quality impairments in NSMB. By addressing high water quality issues with a technically feasible approach while incorporating watershed management techniques, this project proves to be consistent with goals of the Proposition 13 Nonpoint Source Program.

Problem Statement: The Los Angeles Regional Water Quality Control Board's Watershed WMI Chapter dated January 2000 identifies "acute health risk associated with swimming in runoff-contaminated surf zone waters" and "historic deposits of DDT and PCBs in sediment" as two of the significant watershed issues for the Santa Monica Bay Watershed Management Area coastline. This project will help meet bacteriological standards set forth in the Santa Monica Bay Wet Weather Bacteria TMDL and improve water quality at public beaches in North Santa Monica Bay.

Outcomes:

Contract

Execution Date:	11/3/04	End Date:	3/31/07
------------------------	---------	------------------	---------

Contractor

Contractor Type:		Project Director	Project Assistant
Contractor Name:	Los Angeles County, Department of Public Works, Watershed Management	Name:	Angela George
Contractor Department:		Phone Number:	(626) 458-4341
Street Address:	900 South Fremont Avenue 11th Floor	Phone Extension:	
Suite:		Fax Number:	6264571526
City:	Alhambra	Email Address:	ageorge@ladpw.org
State:	CA		
Zip:	91803-1331		

Funding and Invoices

Funding Source: Prop-13-III

Fund Summary

Project Amount:	\$954,000
Match Amount:	\$200,000

California Regional Water Quality Control Board-Los Angeles Region

	Award	Match
Allocation	\$954,000.00	\$200,000.00
Used	\$84,300.00	\$71,035.91
Balance	\$869,700.00	\$128,964.09

Deliverables

Line Item	Description	Date		Task Completed
		Due	Receive	
1.1	QAPP	3/2/06		
1.2	Monitoring Plan	10/26/06		
2.1.1	List of TAC Members	1/7/05		
2.1.2	TAC Roles and Responsibilities	1/7/05		
2.1.3	Meeting Agendas and Minutes	2/24/05		
2.2.2	List of Prioritizing Criteria	3/24/05		
2.2.3	Prioritized List of Projects Selected	4/7/05		
2.3.1	Draft 60% Complete Plans and Specifications	8/25/05		
2.3.2	Final 60% Complete Plans and Specifications	10/20/05		
2.3.3	Draft 90% Complete Plans and Specifications	12/8/05		
2.3.4	Final 90% Complete Plans and Specifications	1/26/06		
2.3.5	Final Plans and Specifications	4/2/06		
2.3.6	Letter to Proceed	9/7/06		
2.4.1	Pre-construction Photo Documentation	9/14/06		
2.4.3	As-Built Drawings	1/18/07		
2.4.4	Post-construction Photo Documentation	1/18/07		
2.5.2	Monitoring Report	3/22/07		
2.5.3	Operations and Maintenance Manual	3/22/07		
2.6.2	Draft Project Report	3/22/07		
2.6.3	Final Project Report	3/31/07		

Events

Date:	6/29/06	Comments:	
Type:	Status report		
Subject:			This project was designed to improve the water quality of North Santa Monica Bay by determining a site, or sites that impact the water quality and then developing BMPs to implement at that site. The TAC committee for this grant determined that the site of interest was Marie Canyon and that a disinfectant unit would be implemented there.
Status:			They have received their approval to proceed with this project from the RB and are currently preparing for construction.
